Respected Sir/Madam

7/7/2025

I am writing to express my keen interest in the developer role at Goldman Sachs. As a passionate [your current role or field, e.g., "third-year ECE student"], I am eager to bring my skills and enthusiasm to your dynamic team.

During my academic journey at Vel Tech High Tech Dr. Rangarajan Dr. Sakunthala Engineering College, I have developed a strong foundation in relevant skills, e.g., "Java, Spring Boot, and full-stack web development". I recently completed an internship at Srishti Innovative Solutions, where I deepened my practical experience in Java development and learned to deliver robust, maintainable code.

I am interested in setting up an interview to discuss how my passion for HR and previous experience could possibly help further Goldman Sachs a successful track record for. Thank you for your time and consideration. I am confident that my technical knowledge, combined with my eagerness to grow and contribute, will make me a valuable addition to your organization. I am looking forward to the possibility of discussing how I can support your goals and contribute to your success.
